stitching templates

It's as **EASY** as **POKE & STITCH!**

Use the Stitching Template as your guide for **PERFECTLY** placed stitches.

After poking thru the holes, it's **EASY** to add hand stitching, with your choice of threads.

These versatile templates can also be used as a **STENCIL** to add inks or embossing paste, to create **FRAMES** for your art.

NEW! Ink Palette!

\$2.99

With its 5"x5" bright white surface, the Ink Palette is **PERFECT** for...

Seeing the **TRUE** ink colors, to help you choose the perfect color combo.

Watercoloring. Scribble markers, or swipe your ink pad on the palette, pick up the inks with a brush and paint away.

Mixing colors. The white surface makes it easy to see the custom color blends you create.

Easy clean up. Water based markers can be removed with water. Archival inks clean up with rubbing alcohol.

And... this handy tool takes up just a small spot on your workspace.

The Ink Palette is... PERFECT!
