# Spinner Cards Made Simple!

CCD-064 Spinner Card  
Crafty Cutts Die  
(Set of 2 Dies)  
\$29.95

We're excited to introduce our newest Crafty Cutts release, the **CCD-064 Spinner Card die**. Use it to create a fun card with a unique interactive feature! Spin the wheel on the side to reveal a special message in the viewing window. Our new coordinating clear stamp sets make it simple to design charming cards with this clever, unexpected twist.

This two-piece die set works with most tabletop die cutting machines for the ultimate in flexibility. Made in the USA of hardened steel for quality and durability, you can make perfect cut and scored lines for the spinner wheel card in just seconds.
