Make-Your-Own Minikins™

Stamp your own charming little replicas of groovy tune makers and tasty treats! These clear sets contain several components to give you lots of options that will spark your creativity.

Customize your music playlist, “cook” a different pizza each time, and switch up the sentiments the way you like them...one way today and another way tomorrow.

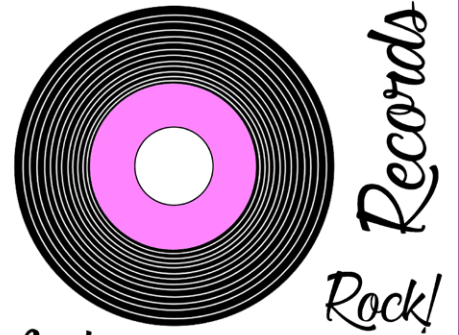

Best of all? Minikins are adorable as-is, but they also make delightful cards, gift tags, magnets, trading pins, and more!
